PAYMENT:

TrailWorks operates on a 4-week consecutive payment schedule, owed prior to the first four sessions of the schedule. Deductions are not made for personal vacation days, illness or closings due to inclement weather. If you join us mid-month or if you know you cannot make all consecutive classes in a session, you'll pay the weekly rate until the start of the subsequent session.

- Students paying **weekly** must be paid in full at the beginning of the first class, and subsequently at the conclusion of each class.
- Students on **prepay plans** must be paid in full at the beginning of each package start date.
- Tuition not paid by the start of each 4-week package will be charged a **\$10 late fee**.
- Payment may be made by cash, personal check or Visa / Mastercard / Discover / American Express.
- There is a \$25 return check fee.

Discounts:

FAMILY SPECIALS: SAVE 10%* on classes when you enroll another family member. The 10% is only applicable to each **additional** member's package.

CREATE A GROUP / REFERRAL: SAVE 10%* on your next package when you successfully enroll other student(s). You must have at minimum one other person enrolled to create a group lesson. **The organizer's lessons must be purchased directly through the studio and not online in order to receive the discount.**

**Special discounts may not be combined. Any lessons qualifying for applicable discounts must be purchased directly through the studio. Contact me to apply any of these offers.*

Refunds:

Due to the intimate nature of lessons through TrailWorks, lessons are generally non-refundable. Sessions must be used within the time frame of the package purchased. The exceptions are when a group doesn't have the enrollment to run and if you choose to withdraw a week or more prior to the start of a class. When a student enrolls in a group and the group doesn't have the enrollment to run, a refund will be made. Should you choose to withdraw two weeks or more prior to the start of your class, you will be refunded your tuition, shy of a \$25 processing fee and your paid registration. You can expect to receive a refund within 4 weeks of notification.

ATTENDANCE POLICIES:

Attendance:

Classes at TraillWorks are relatively small and space for students is limited. When you purchase packages you are both reserving your spot at the studio, and if you purchased a package, you are also saving on the weekly rate for that given spot. Please make every effort to consider the package you purchase in advance. If you're not sure you can make weekly classes, please consider a smaller package, possibly in tandem with drop-in classes that can be used intermittently, as long as space permits. Or you can purchase drop in classes alone and pay as you go, space permitting. Classes purchased in a prepay package must be used consecutively.

Cancellations: Classes cancelled within 24 hours cannot be rescheduled or refunded.

Refunds: Due to the intimate nature of lessons at TraillWorks, lessons are non-refundable*. Sessions must be used within the time frame of the package purchased. *The exception is when a student enrolls in a group and the group doesn't have the enrollment to run, a refund will be made.

Make-ups:

- If a class is missed due to a student's own conflict, the only opportunity for a makeup lies in the responsibility of the student in setting it up, and is dependent on space in a class.
- If space is not available, the class may only be made up by paying for a private class.
- Private makeups are always available, but must be paid for at the private weekly rate, \$65.
- All make-ups must take place within the package month of the missed lesson or the lesson will be forfeited. (With the exception being if the final class of the paid package is the one missed.)
- All students enrolled in small group lessons will be made up with other small groups, if space is available. There is no guarantee that the student will be placed with other similar age students. Private lessons will be made up as privates.

Student Behavior: Students have the responsibility of showing respect to others students, supplies used, artwork and the studio. TraillWorks reserves the right to dismiss any student for inappropriate behavior.

ADDITIONAL INFORMATION:

Sketchbooks Are highly encouraged and used. Students who prepay the registration fee for the school year up front will receive a sketchbook from TraillWorks. If you are registering only for a quarter, please purchase a 9" x 12" sketchbook. Helpful for keeping notes, gathering ideas, and developing your techniques at home; sketchbook assignments are often given to reinforce lessons learned in the studio. PLUS research shows doodling and writing helps you remember better!

Clothing: Please wear suitable clothing for an art class, i.e. clothing that can get dirty. We may not always get messy, but given the nature of what we are doing, please come prepared. TraillWorks is not responsible for soiled clothing.

Parking: Parking is available on Jefferson Ave., on Valley (depending on the hours), and on neighboring side streets. Please use caution when crossing streets.

Weather: Closures will be decided based on the West Orange Board of Education's school closures and notifications will be sent via email.

Student Artwork: Student artwork left in the studio thirty days after the last session will be discarded.
